That Sign. Ms. Epiron: - In the Chief of May 25th, 1882, I see a statement in regard to a man living in Doniphan County that had a sign over the front door of his dwelling, claiming that his family has been wronged by the railroad company; also, it appearing to be a great mystery, at first; but Mr. Informant revealed the secret that this family were rich, and that the railroad company had killed some of their stock and had offered them a reasonable compensati As much as to say, that if a family was rich, or wealthy, they could not have their rights. Now, Mr. Informant, this or our case has not been decided by law. Do we understand you to say that a pour family shall not have their rights! If so, we understand you, for we are poor, and contending for our rights. If five dollars per head for number one milk for the twine binder.

> Atchison, Kansas. IF A fellow considerably the worse for St. John came to Judge Price, the other day, to employ him to defend him in a case in the Police Court. The Judge knew that the man was arrested under a section of the law that had been declared encoustitutional, and felt that he had a clear case. Entering the Court room, where another person was being tried upon precisely the same charge, Price acked to be heard, as the decision would affect a client of his own, and would virtually decide both cases. "Are you employed in this case!" inquired the Pu-lice Judge. "No," said Price; "but my client here ouching the man with his hand) is up on precisely the same charge, and what I wish to any now, would anve unnecessary waste of time in both cases." Is

> that man beside you, your client?" asked the Judge.
> "Yes," replied Price. "Well," rejoined the Judge,
> "he pleaded guilty more than an hour ago, and was
> fined, and the case finihed up." Price didn't raise his constitutional point. Small Comfort. When you are continually coughing, night and day, annoying everybody around you, and hoping it will go away of its own accord, you are running a dan-
